

As we have seen the last few days, we are all seeing the resulting impacts of Coronavirus (COVID-19) around the state and around the world. This has led to unprecedented precautions and adjustments to life in America. The Rio Rancho Regional Chamber of Commerce is monitoring this rapidly evolving situation and we want to share some of the changes we are making to our calendar. We are making these adjustments to help keep our employees, members, partners, and communities healthy and safe.

Most recently the CDC has requested an 8 week pause on groups larger than 50, so we are making following adjustments to the Chamber calendar. Please continue to be kind to others and support those in need. If you are aware of any seniors or people with disabilities that have limited access or transportation that need assistance, please reach out to the chamber to coordinate assistance. The Chamber will be here to support the community and businesses throughout this crisis., so call us at 505-892-1533 or email Jerry@rrrcc.org with any questions or concerns.
